

BPH PATHWAY

We will give you a custom treatment plan that meets expectations and improves your quality of life.

YOU DON'T HAVE TO LIVE WITH BPH.

Focused Evaluation

Urocuff

The UroCuff Test provides your urologist with information about your bladder function to better understand the causes of your symptoms.

Cystoscopy

A cystoscopy is a diagnostic prostate exam performed by your urologist in their office to determine the cause of your symptoms and best treatment options.

Prostate Ultrasound

A prostate ultrasound is a quick and very precise method to determine prostate volume measurement, which is important in choosing the correct procedure

Conservative Management or Behavior Modifications

Diet

Information for a healthy prostate diet

Lifestyle

Specialized behavioral changes and suggestions to decrease symptoms

Prostate Specific Medications

Alpha Blockers

Medications designed to relax the smooth muscle in the prostate and bladder neck to allow urine to flow better

5-Alpha Reductase Inhibitors

Medications designed to shrink the size of the prostate

Procedures based on your prostate, your symptoms, and your expectations
